Ampelite Manufacturing Co., Ltd. hereby confirms that the above product has been manufactured in accordance with Australian Standard AS 4256.3:2006 and warrants that the product will perform as detailed below, when conditions described are met.

AMPELITE WARRANTY

Product Group	Warranty Type	Period
	Water Penetration	20 Years
	Light Transmission will remain over 70% of its original value	15 Years

WARRANTY CONDITIONS

- a) The product is to be stored, handled, and installed strictly in accordance with the Design and Installation of Sheet Roof and Wall cladding part 3 – Plastic AS 1562.3, 1996 and manufacturer's recommendations and specifications.
- b) The non-weather side surface shall not be installed to expose to any Ultra Violet exposure.
- c) The product is maintained strictly in accordance with Ampelite Manufacturing Co., Ltd. recommendation.
- d) The product does not suffer any mechanical or other damage by agents or chemicals during handling, storage, fixing and after installation.
- e) The user must clean panels of accumulated dust and dirt on weather exposed surfaces no less than twice a year, or more frequently where extreme conditions of dirt and dust prevail.
- f) The product, at all times, carries a 'pro-rata' Warranty only. Liability for failure of this product will be directly proportionate to the Warranty period and the useful service period obtained from the product. Transportation and labour costs for replacement of goods and possible consequential damage are expressly not covered by this Warranty.
- g) The warranty shall only apply if the purchaser can produce the warranty document signed by an authorized representative of Ampelite Manufacturing Co., Ltd. This warranty becomes effective only when the authorized signature and date has been completed below.
- h) The product is not trafficable. Walking or stepping onto it is prohibited.
- i) Ampelite Manufacturing Co., Ltd. will not be responsible for any claim in respect of or arising out of injury, disease, illness or death if any of the above warranty conditions is not met.

REPLACEMENT OR RE-FINISHING

Should the product fail to perform during the Warranty period, Ampelite Manufacturing Co., Ltd. will, upon verification of failure, supply replacement product. Ampelite Manufacturing Co., Ltd. will be liable only as per Warranty Conditions-paragraph f).

EXCEPTIONS

The product is not covered under this Warranty against vandalism, fire or natural disasters.
